TERMS

Net cash before shipment, or 25% deposit with the order will hold until shipping time—balance will be sent C.O.D.

ORDER CHANGES

It sometimes happens that we are out of the exact size you order but have other sizes in the same variety. Please state whether you will permit us to send another size or variety if out of what you order. You will always receive liberal value for any changes. Many of our customers are delighted with the extras in the form of overcount and newer kinds that we include for trial; and if you send us the names and addresses of friends that grow 500 or more Glads—well, we just try to outdo ourselves in giving extras.

10 Bulbs, one size and variety, 8 times single Bulb rate.

We exercise the greatest care to see that only first quality stock is shipped out; but in keeping with trade customs, we cannot guarantee the growth or productiveness of the bulbs due to the varying soil and climatic conditions.

Our many acres of Gladiolus are hand planted, hand harvested, hand cleaned and counted. They are not mutilated and bruised by machinery. This is your assurance of first quality bulbs.

Prompt ordering is advisable, as there seems to be a strong demand for the many real good cut-flower varieties that are listed here in our catalog at such reasonable prices.

CHAMOUNY

SHIPMENT

All orders are sold with the understanding that the shipping charges will be paid by the customer. That means F.O.B. Portland, Oregon, except pool car shipments which are prepaid to Chicago or Trenton, N. J.

A service charge of 35 cents will be charged on all orders of less than \$3.00, as they cannot be filled and shipped at a profit.

Orders of \$10.00 or more may be sent any time in U. S. A. via Railway Express. Those held for Spring delivery will be shipped as weather permits. Local and Pacific Coast orders may be shipped at any time.

We advise Railway Express shipment rather than freight as congested conditions sometimes cause long delays. Auto freight has proven very satisfactory for Pacific Coast and Texas orders of 100 lbs. or more.

PARCEL POST SHIPMENT

Parcel Post is not insured against freezing, so should you wish your order sent in this manner (much cheaper than express on orders of 12 lbs. or less) you had better let us keep it until danger of freezing is past—usually March 15th. We will advance the postage and notify you of the amount.

Our Bulbs are Guaranteed Free from Thrip, as we treat the bulbs with 10% D.D.T. dust as soon as they are harvested, then after cleaning, they are gassed twice with cyanide gas. There is no need to treat bulbs received from us unless they have been in close contact with some that are infested. Play safe and treat your home-grown bulbs with 10% D.D.T. dust too.
